

# PEARSON

ALWAYS  
LEARNING

Name of the Activity: Label on the Products

Conducted on : 02.07.13

Name of the School: The Heritage School

- This activity was conducted for General Knowledge for grade four which was regarding **Labels on Products**.
- The students were made aware how to check manufacturing and expiry dates on the various products available in the market .
- Explanation of the meaning of the two symbols (red and green) denoting vegetarian and non-vegetarian goods.

- **This activity enabled students to be cautious and careful while purchasing eatables, cosmetics etc from the market.**
- **Students also learnt to count the days from the date of manufacture and product price.**

**ENJOY LEARNING**

**THANK YOU**
